Ms. Taylor,

Thank you for sending the pdf version of the signed CCCA. I realize it is not as efficient but the EPA requires a hard copy with the original signature. Could you please send that as well? Below are instructions that were included in my email to Mr. Levy, dated 7/6/2015:

“Alternatively, if you are satisfied with the terms of the Consent Agreement in its current form, please print out, sign, and return the original by mail (to the address in the signature line below), which will be routed through EPA management for final approval and execution.”

Thank you for your help with this.

Kind regards,
Abby Dean
